Understand Leadership

Learn what it takes to influence, motivate and achieve with a team:

- Leadership vs Management
- Performance Management
- Innovation
- Coaching and Mentoring
- Using technology at work
- Communication
- Strategic Planning
- Risk Management
- Environment & Safety Compliance

Become an epar Certified Professional

The **epar Certificate IV in Leadership and Management** includes **epar Professional Certification**.

The final Workshop (one day) in our series includes the three Units of Competency required to achieve Certification.

- BSBRK401** – Identify risk and apply risk management processes
- BSBWH401** – Implement and monitor Safety policies, procedures and programs
- BSBSUS401** – Implement and monitor environmentally sustainable work practices

Get both qualifications from attending the one course!
